This schedule should show the actual amounts of the various capital components as well as the ratios.
- H. Net income as a percent of sales, return on average investment, and return on average common equity for sales to affiliated telephone companies and on sales to non-affiliated telephone companies separately for manufactured products and separately for items purchased for resale for the calendar years used in 17f. Also provide details for the rate of return calculations.
- I. On sales to the Kentucky operating telephone company used in 17f, separate purchases from the manufacturing operation into amounts capitalized and amounts

expensed and from the supply operation into amounts capitalized and amounts expensed.

- J. A schedule showing the dollar amount of gross additions by major plant accounts and the percent and dollar amounts surviving at end of test year, for each of the years used in 17f. A second part of this schedule should show the dollar and percent of equivalent amounts of depreciation reserve at the end of the test year, applicable to the surviving capitalized purchases.

18. A calculation of the rate or rates used to capitalize interest during construction for the test year and the 3 preceding calendar years. Provide a narrative explanation of each component entering into the calculation of this rate.

19. Provide detailed monthly income statements for each month after the test period including the month in which the hearing ends as they become available.

20. A. Explanation of the settlement contract or method used with South Central Bell and any other telephone companies to arrive at applicant's Kentucky intrastate test period toll revenues. (Provide the traffic agreement presently in use for settlement purposes).

B. Explanation, with copies of appropriate supporting material, of the separation procedures used to arrive at the test period Kentucky intrastate portions

of revenues, investment, expenses, taxes, reserves and any other items applicable to the case. Include discussions on cost studies which were used and periods for which studies were made.

- C. A breakdown by dollar amounts of Kentucky intrastate toll revenues for the test period into their major class of toll service-message toll including WATS, private line, foreign exchange, and any other items contributing to the intrastate toll revenues. Include all intrastate toll revenues whether received through settlements or otherwise.

- 21. A. The status of all intrastate toll settlements, by major class of toll service, with South Central Bell that were pending at the beginning and at the end of the test period that would affect the test period intrastate toll revenues. Indicate the finality of these settlements with South Central Bell, and if they are not final, give the expected amounts and the expected dates they will be finalized. These amounts are to be reconciled with book entries including amounts accrued for future settlement adjustments.

- B. A statement of concurrence from South Central Bell that the test period intrastate toll settlement revenue is correct giving dollar amounts for each

major class of toll service settled. If concurrence cannot be obtained, provide a detailed statement of differences.

- C. Written explanations of each change or adjustment in intrastate toll settlements which was booked during the test period, but was applicable to settlements outside of the test period and which was booked outside the test period, but was applicable to settlements covering portions of the test period.
- D. Written explanation of all pro forma adjustments made to normalize the test period intrastate toll revenues such as those caused by settlement contract changes and separation procedure changes that may effect such items as the intrastate toll rate of return used in computing toll settlements for actual cost and division of revenues companies.
- E. Any other information the applicant deems necessary to explain the debits and credits to its toll revenues in order to normalize its intrastate toll revenues for the test period.

22. Provide the following information with respect to the Continental Telephone Service Corporation Corporate billings:

- A. A copy of the agreement.
- B. A complete description of the activities and services provided by corporate and the method used to allocate the corporate costs.

- C. A summary of the total corporate billings, and the billings to Continental Telephone Company of Kentucky by specific service for the test year and the 5 preceding calendar years.
- D. A description of the necessity of each service provided to the Kentucky ratepayer.
- E. Copies of any existing reports on studies or analysis performed to determine whether the centralized allocated cost is more or less costly to Continental of Kentucky than would be the same service performed in-house.
- F. Corporate's test period allocation to Continental of Kentucky for institutional advertising expenses, contributions and lobbying expenses.

23. Provide, by schedule number, the test period employee overtime factors and overtime factors for the preceding 5 years.

24. If total productivity factors are calculated, supply these factors for the test period and preceding 5 calendar years. Further, provide a complete description of how the factor is computed and the variables used in the computation.

25. Provide copies of all current labor contracts and agreements and copies of the most recent contracts and agreements previously in effect.

26. Provide a detailed analysis of expenses incurred during the test year for professional services, as shown in Format 26,

and all working papers supporting the analysis. At minimum, the working papers should show the payee, dollar amount, reference (i.e., voucher no., etc.), account charged, hourly rates and time charged to the company according to each invoice, and a description of the service provided.

27. Rates of return as shown in Format 27 attached.

28. Provide a detailed analysis of the retained earnings account for the test period and 12-month period immediately preceding the test period.

29. Capital structure at the end of each of the periods as shown in Format 29.

30. A. Provide a list of all outstanding issues of long term debt as of end of the latest calendar year and the end of the test period together with the related information as shown in Format 30a. A separate schedule is to be provided for each time period. Report in Column (k) of Format 30a, Schedule 2 the actual dollar amount of debt cost for the test year. Compute the actual and annualized composite debt cost rates and report them in Column (j) of Format 30a., Schedule 2.
